Former NC Staff Member Heads Varsity Paper

The Varsity, a university daily boasting the largest circulation in Canada, published daily by the University of Toronto undergraduates, will have Frank Moritsugu, 4th-year student in political science and economics at Victoria College as its editor-in-chief for 1950-51. Announcement was made in the final 1949-50 issue of The Varsity on March 1[illegible] following the appointment by the Students' Administrative Council.

The 27-year old Nisei student succeeds Stan Fillmore under whom he served as make-up editor. When he assumes the editorship, it will be his third year on the staff of The Varsity.

Prior to entering the Toronto University, Moritsugu was a member of The New Canadian staff for five years interrupted by a period of service in the Intelligence Corps of the Canadian Army. He first joined the staff in 1943 when The New Canadian was published in Kaslo, B.C. and remained with the staff when it shifted to Winnipeg and later to Toronto.

He remains a frequent contributor to The New Canadian. He has written articles for other publications including the Saturday Night.

The Varsity is a tabloid-size students' newspaper, published daily Monday to Friday, during the term.

Just Passing Through

Story fading [illegible]

The Indian has always been kicked around.

Columbus sailed the ocean blue and the first Great Whiteman came upon a new world. Since that time, the Indian has been pushed further from their Happy Hunting Grounds almost to the point of extinction. Now they can't even enjoy the citizenship rights that any fullfledged Canadian can demand.

And that's a grim joke for they are probably the only ones who can call themselves "original Canadians". For they didn't cross any ocean blue.

Theirs is a colorful story in the history of this continent. What would the British-French wars for the struggle for Eastern Canada done without the Mohawks, Mohicans, Hurons, Ojibways, et al, embellishing the fray? And the Cree, the Blackfoot who crept along windswept prairies as the Great Whiteman pushed on greedily?

Wide-eyed school kids wouldn't find much excitement and adventure in the history books were it not for the Indian. The story would be dull, stolid without the Indian prancing moccasin-footed around campfires, beating his chest, or pouncing on fearful quarry, wielding a bloodstained tomahawk. Yes, it is a gaudy, melodramatic picture.

And what fodder they are for the movies! "Another redskin bites the dust" as Gene Autry, with his trusty hoss, Quicksilver, blasts his way out of the ambush with his six-shooter until the cavalry arrives. As you and all movie-goers know, the U.S. cavalry with bugles blowin', flags a-wavin, always arrive in time to save the cowboys from the Injuns.

Fraught with excitement, charged with suspense is the [illegible] for the horse-opry fan [illegible] his popcorn with [illegible] the nickle-[illegible] background music as [illegible] bites the dust.

No Discrimination Here

Where It's 90 In Summer, 60 Below In Winter

"RACE DISCRIMINATION is unheard of in the Yukon," says George Tanizawa who has spent ten years off and on in Dawson City up in Canada's lonely northwest "wilderness". "Every man there is judged according to his individual merit."

All told there are only about 20 Japanese in the entire territory, most of whom live in Dawson which is in the heart of the famed Klondyke district. There are only two Japanese women, both married, one to a Scandinavian. There are also about five Nisei children.

Some of the Issei have been up there for years, contented with the life that Yukon has to offer. Sam Kawahara who is the real Japanese old-timer of the Yukon, might be called a true blue sourdough. He is possibly the first Japanese in the territory and has lived there around fifty years. He followed the Klondyke goldrush of 1896.

All the Japanese in Dawson work as bakers or cooks, but there is very little work in the winter. Most of the workers remain in Dawson only during eight months of the year when the gold mines can be operated, so there are less than 400 living in Dawson during the winter but its population is trebled in the summer. Majority of the outside workers come from Vancouver.

The mercury gets quite a workout, moving up and down the entire range of the glass tube, says George. The temperature rises to the 90's in summer and he remembers one winter when it was 74 below zero outside. His thermometer read only 60 below, but that was because that's how far down the reading of his thermometer goes.

But, since the atmosphere is dry, it's not as cold as it would seem. And because of the warm summer and the long hours of sunshine and as there is no dew, vegetables with the exception of tomatoes and cucumbers do surprisingly well.

June 21 is a big day in Dawson for on that day they get 24 hours of sunshine. The sun just dips down and comes right up again. Dawson is not north enough (it's located 200 miles south of the Arctic circle) to get the long summer day and the equally long winter night of the Frigid zone. Around Christmas, they have about four hours of light each day.

Dawson has very little in the way of recreation or entertainment. There was one picture house but it burnt down in a recent fire. Thus when the young people leave Yukon to see the "outside world" for the first time, they hate to come back.

The town itself resembles a ghost-town, and because of the present high cost of machinery and parts and the long haul that's necessary to bring out the gold, Dawson might soon become a ghost-town. And it is in a queer position that should there be a depression elsewhere which would mean lower cost of machinery and other goods which must be brought in, Dawson could probably prosper.

George Tanizawa is presently on his holidays and is visiting relatives and friends in Eastern Canada, and is heading back there shortly. He plans to remain up there for [illegible] years, then hopes to settle down in Vancouver which, after travelling the length of Canada, is the best place to make a home.

Council Wipes Out Asiatic Labor Ban

VANCOUVER. — City Engineer John C. Oliver and Corporation Counsel Arthur E. Lord found recently that, according to a 60 year old law which still existed unnoticed in small type, Asiatics could not be employed by firms holding City of Vancouver contracts.

It was brought to the attention of the City Council with the recommendation that it be rescinded. Last week the Council ordered the repeal of the ban against hiring Asiatic labor.

One council member pointed out that it was one of those laws which was never enforced and nobody noticed it because it was in "small type" which nobody read.

The law was introduced during the early construction of the railways when Chinese coolie labor was employed for a few cents a day.

Attorney Unable To Raise $50,000 Bail To Secure "Tokyo Rose" Release Pending Trial

SAN FRANCISCO. — The attorney for Mrs. Iva Toguri d'Aquino declared that he has been unable to raise the $50,000 bail to obtain her release from the Federal women's penitentiary at Alderson, W. Va.

Mrs. d'Aquino, convicted of treason for wartime broadcasts from Radio Tokyo, started serving her 10-year sentence last November.

Art Work Of Toronto Pupils Going To Kobe

A collection of children's drawings from Toronto's public schools is to be shipped to Kobe by air where it will be shown at the Japan Foreign Trade and Industry Exposition which opens this month and continues through June.

The pictures were chosen for their quality as well as for their descriptive value in depicting life as it is in Canada.

功績者に擧げた理由（三）

「在加日系人史上の功績者」として擧げられた人々の氏名は既報したが、以下は「どういう功績があったか」が可なり詳しく記されてあった分を綜合したもの。

山林業で成功
公共事業にも盡した

花月榮吉

○花月榮吉氏は、裸一貫より奮闘して大事業家となり、日本人山林從業の道をひらいた功勞者で、日本への木材輸出その他貿易の開拓者であり日本產業功勞賞を授與されている。

○花月氏はまた日本人會長中央會會長として社會事業にも貢献し、あらゆる方面に援助をおしまず、日系人の發展に貢したところも大きい

（記者註、＝花月榮吉氏は和歌山縣日高郡の出身で一九〇六年にカナダに渡航、先ず伐木キャンプに就働して山林業の實際經驗を積んだのち、漸次自から伐木業をはじめ幾多の困難を突破して事業を擴大し伐木、製材、木材輸出で多數の日系人を雇傭していた人である。現在はトロントで「パシフイツク・トレーディング會社」を經營して輸出入業を營業している）

[illegible]運動
[illegible]

○[illegible]氏は、五十年もの以前に、選擧權を吾々日系人にも與えよと、猛虎奮迅の勢いで起ち上り、問題を英國樞密院にまで提起して奮闘した人であるが、彼の勇姿を想つて見ただけでも胸がすくではないか　デモクラシーは斯くあるべきであると叫んだ彼の信念が、今もなお吾々の胸に躍動し、それがゼーシーエーの行動の本体をなしていることを思えば、彼も偉大なる先驅者の一人である

○本間氏は千葉縣出身で一八八七年にカナダ上陸、スチヴストンの漁者團体組織にも參加し漁業方面の開拓者の一人でもある

×

○故鏑木五郎氏は、今世紀の初頭、カナダに來た日本人最少の時に於て晩市パウエル街とジャクソン街角に教會堂を建設して、青年の指導と共に英語夜學校の開設等、日本人間最初の牧師として宗教界に活躍したほか、加奈陀新聞を創立して日本人指導に當った人である

×

○赤川美盈牧師は、過去四十餘年間に亘り、日本人移民の精神的教化事業にその一生を捧げて來た人で、その功勞は斯界の第一人者だと思うがそれは今回の總移動によって實證された

×

○佐藤傳氏と青木定義氏はどちらも日本語學校の校長だった人で、佐藤氏はその一生の殆どを第二世の教育のためにつくした人。教育界の功勞者は量や數から言えば佐藤氏が第一であるが、カンバランド出身の若人たちが今日の同胞社會に於て斷然多く光つて居るところよりすれば青木氏の薫陶もまた大きかつたことを知る

[illegible]問題の經過報告（三）

全加市協から要求者宛の手紙内容

[illegible]の時期及び方法など

一九四九年四月十六日コーペナヂン・コミクトは要求者に手紙を送り、賠償要求解決方法につきコミッショナーから意見を受けたことを知らせ、その手紙に述べてあつた理由によつて、提議された解決方法を受諾することを勧告した。全加市協でも、あらゆる角度から問題を考慮した結果、殘念ながら、辯護士の勧告を受諾するよりほかないことを通告することになつた

要求者がコミッショナーの提議を拒否する場合は、各々のケースにつき個々のヒーヤリングが必要となり、仕事が永びいて多分二年乃至三年はかゝり、要求者の得るところは少くなつて、中には何にも得られない者が出てくるかも知れず、その上に費用は恐らくは更に十万弗もかゝるであろうと辯護士は注意したのであつた

併し市協では、この提議を受諾することが、吾々の不満をそれで打切るものであるとは決して考えず、又要求者の大多數も、提議つきで勧告を受諾する旨返事したのであつた

爾來全加市協は、强制的總移動によつて日系人が蒙つた損害に對する當然の賠償を得ることに、あらゆる努力を續ける必要あることを、層痛感し、一九四九年八月以來、この問題に關する市協今後の方策につき注意ぶかい研究をつづけ、辯護士と相談して來た

コミッショナーは調査報告書を作製中で、それがまだ發表されないのに、移動損害問題に關して政府に代表を送り、ブリーフを提出するのは適當な時期でないが、市協では報告書が提出されるのに引續いて適切なる時日に政府に代表者を送りブリーフを提出して總體的な賠償問題につき强硬なる申入れを行い、特に制限された調査條件から除外されている問題などを取扱うことに關し、十分なる計畫を立てている

全加市協はその全國執行委員會を通して、一九四九年十一月レスブリッジで開かれた第三回全國大會に、損害賠償要求問題に關し將來如何なる行動をとるべきであるかに就ての計畫と進言を提出した。大會は、既に辯護士の助言を待て委員會に於て準備し、將來政府に提出することになつている『移動損害要求に關する市協のブリーフ』を是認した。大會はまた市協が全國に亘るパブリック・キャンペーン（公衆運動）により新聞や各種團体や個人の支持を求めて行おうとしている運動方策をも是認した。市協全國大會は、コミッションの報告が發表される時こそは、市協と日系カナダ人が、强制的總移動の不正義と、それによつて蒙つた損害に關し、公衆の注意を喚起するに最もよい機會であるという意見に一致した

ローヤル・コミションは近く調査を終了し、その全的報告書を政府に提出すると信ずるが、市協はこのことを心において現在の計畫を進めて居り、ブリーフの用意も完了しつゝある。報告書が政府に提出されたら、政府はその進言を検討するのに數週間かゝるかも知れないと見られる

（ブリーフの内容はまだ公表できないが、その中には强制的總移動の無理とその結果として起つた財産損害、調査條件の範圍の限定及び價値評價に對する法律上の證據集めの困難さ、市價決定は總移動がなかつたものと想像して行われるべきであることなどを主張し、移動損害に對する、もつと公正なる賠償（一般的賠償も含めて）を行うべきであることを提議する筈）

老年恩給法の改正

適用年齢低下を考慮

【オタワ發】現行のカナダの老年恩給はオタワ政府が四分の三、各州政府が四分の一をそれぞれ負擔しているのであるこの費用は個州政府ともに一年一億三千五百万弗に上つているが、この老年恩給制度を改善し老年の安全保障をよりよくするために「ペンション改正に關する議會委員會」を設置するようマーチン厚生相が先週議會に要請した。この委員會の研究結果が今年末開かれる個州政府會議に提出されて論議されることになるのである。マーチン厚生相はカナダの老年恩給制度は他國に比べて程度が高い點を次の如く指摘している

（一）カナダ國民の福祉のため出來るだけ最善のペンション計畫をつくりたい

（二）諸外國とくらべてカナダ現在の老年恩給制度はすこぶる程度が高い

（三）改正される恩給制度によつて生ずる新たな經費捻出に就て充分考慮しなければならない

（四）米國のような強制ペンション制度は行わない

この老年恩給法の改正はシーシーエフ其他が主張しているように例えば適用年齢を現在の男女七〇歳を六五歳に低下する事や條件づき有資格者を條件なしにしたり、又は月支給額を現在より増加させる等に就て議會委員會を設けて各角度より研究するものであるが、この委員會には各政黨の他勞働、産業、農業、厚生各界の代表が參加、それぞれの意見を反映したものが出來上るものであるとされている

雜錄 梅月生

日本の議員物のオタワ議會訪問は大變有益であつたらしい。一行中の波多野氏や松本氏が、日本の大新聞に訪問記を書き送つているのが大きく取扱われて連載されている。中でもオタワ議會見學は特に印象的で大きな感銘を受けた模樣で次の如く書いている。

△議場でタバコを吹かす者もいなければ行儀の悪い者もない。議場は莊嚴の氣に滿ちている。議長は槌を持つていない。アメリカの議會でも議長は槌を議場整理に使つているが、カナダでは槌でたたいて議場を整理する必要などはないし、議場が騒がしくても議長がイスから立ち上りさえすれば一瞬にして靜粛になるという誠に議場の神聖、議長の威嚴の大なること驚くべきである。

△サンロラン首相と面談してカナダとお別れすることになつたが、首相は閣議最中であつたが、時間に十分遅れたが、息を切らしながらわれわれの案内されていた會議室に入つて來てわれわれと一々握手をかわした後挨拶を述べた。この總理大臣を通してなら日加親善の將來には洋々たるものがあるような氣がした

All Nations Shuttle Squad Near Elimination, Uphill Fight Ahead; Tourney Plans Underway

Nine more points will decide whether the "A" squad of the All Nations will remain in the running for the Inter-Church League championship after the team went down to a disastrous 0-8 loss at St. Clements Hall to a vastly improved host club.

Captain Johnny Tanaka was the only bright light winning two in the mixed with Kay Ogaki and almost garnered two with Frank Matsui in the men's. The surprise package in the form of Michi Ashikawa formerly of Montreal and Mas Toyota tried their best for All Nations and Mas came through handsomely winning both men's with Junji Ikeno and splitting the mixed with Easy Kitamura.

Ashikawa, ailing with a sore back, dropped two with Matt Matsui and the mixed with Toki Yonemitsu. The veteran Matt Matsui fell down badly with four losses.

Lucky to be in the semi-finals, as the four teams in the league wound up in a 4-way tie, the All Nations must come through with a miracle finish to stay in the running. They must concede no more than 7 games to win the home-and-home series and 8 for a tie. Capt. Tanaka asks all club members to be on hand on March 22 at All Nations gym for the back-to-the-wall struggle.

Feather Banter: Shuttlers as far as Montreal are feverishly practising their shots for the Nisei Open Tourney of April 24-29. Mas Toyota, Montreal's left-handed ace, is almost sure to make the trip to team up with partner Michi Ashikawa to vie for the men's double crown now held by Ken Fukasaka and Junji Ikeno . . . Johnny Miura and Ike Matsuo will look after the Metropolitan entries, Frank Matsui JCCA, and Anthony Fujimoto St. FX . . . If enough entries warrant the holding of singles, the event will be held on two consecutive Saturdays in April in conjunction with the tourney. The cost is $2.25 per player and entries may be given to Roy Shin, 159 Gerrard East, ML. 7767 . . . All Nations is expected to send a large delegation to the coming Inter-Church tourney around April 15.

Flyers Win Championship In THL 'B' Group In Two Straight, Drop Opener Of City Finals

Dave Yonemitsu and Ray Sora were the toast of the Nisei Flyers (Arcade Grill) as Ray passed and Dave knotted the tally, breaking up a 2-2 tie and giving the Flyers a championship in the "B" group of the Juvenile Section of the THL. Now they will wait for another "B" section winner and should they win, the city title will be their prize.

Sora also came through with the first goal of the game from a corner pass-out to give Flyers a 1-0 lead over Ossington Community Centre and then Ed Hisaki fired a screen shot just inside the blue line that was deflected into the net.

Coach Reggie Chipman must have given his team a dressing down as the Centres came out for the second period and fought like blazes to tie up the game. Flyers who seem to ease up when the score reads in their favor, saw their chances of wrapping up the finals fading away.

Paul Nivens in the Flyers nets saved the day when he lashed out with his skates to save a shot headed for a goal. Then the game winning play came with [illegible] minutes left.

Flyers Drop Opener

[illegible] Snack Bar dampened [illegible] championship aspirations of [illegible] Flyers by coming from behind to win the first game of [illegible] best of three finals, 2-1, [illegible] the band-box Agincourt Arena and bothered with [illegible] the Arcade offense [illegible] down to a walk and in [illegible] minutes the play was [illegible] zone. Defensemen Joe Wani and Paul Takiwa played like trojans and Wani's bullet shot from the blue line kept the team from being goose-egged.

Second game will be played at Stoufville on Thursday, March 16 and there will be no excuse if the Arcades go down on a large ice surface to which they are accustomed.

Rockets Win Third

Rockets of the Nisei Junior Hockey League wrapped up their third win over Mohawks, 6-2, paced by 2-goal efforts by Vic Kitagawa, Art Matsumoto, and Gordie Takenaka. Sumio Fujimoto and Gene Kitagawa were the only ones to dent the tough defense put up by the sensational Rocket net-minder Tak Kawasaki who definitely shows the experience gained by playing with a THL team.

The boys are all under 15 years of age and are continuing to improve and some of them may give some of the seniors a stiff fight for a position next year.

Ice Chips: League executive has decided to award a trophy to leading scorer Yuki Kaneoka of Variety Grill and to the goalie with the least number of goals scored against him, Nobby Fujimoto of Homesteads. They will be awarded at the Presentation Dance . . . They also decided to enter an Intermediate team in the King Clancy series of the THL [illegible] the talent [illegible] hard to be the best in years . . . Yamada, Takeda Vie For League Lead

The two contending fives in the Toronto Nisei Bowling League are locked in a tight struggle to gain the coveted top rung. Last week Takeda Insurance enjoyed a short lead over the Yamada Studio quintet. In a crucial meet last Friday between these two teams, Takedas were toppled 7-0 by the runner-up Yamadas and now their positions are reversed.

Queen City was the only other team to take the full count of points as they swept all from Sora Construction. Other games resulting in 5-2 scores were: O. K. Cleaners over Team 9, Urabe Insurance bested Best Cleaners, Nat Freedman grilled Variety Grill, and Star Cleaners cleaned up on Danforth Cleners.

Kaz Kuroda by far was the best bowler of the evening with 815-287. Harry Inouye with the best single game was second with 757-323. Other 700 or better were: Mike Ikegami 745-278, Sandy Ono 729-279, Akira Muromoto 728-275, Mas Isoshima 708-310, Mosa Matsumoto 705-296 and Joe Tehara 700-288.

Balentine Brawl Proves Gay Event

WINNIPEG. — Although the windy and cold wintry elements were not encouraging, those who attended the JCCA Balentine Brawl found a warm and friendly atmosphere inside the YWCA auditorium on Feb. 17.

Dancing was carried on to the music of George Resnick, a popular local artist in swing. At the intermission entertainment was produced by an imitation of Al Jolson, followed by a humorous skit introduced by m.c. George Fooks. Prizes for several novelty dances were also meted out after the break.

Alphas, TNT Reach Junior Finals

Hamilton Alphas and Toronto TNT's won the right to meet in the junior finals by making a clean sweep over the Stags and Jets respectively in the 2-game total point, semi-final series.

Hamilton's smooth-functioning quintet had little trouble disposing of the Toronto Stags 54-38 and thus copping the series 103-67. Sharpshooting Wes Hyodo came up with another of his brilliant performance slicing the webbing for 31 points. Joe Tagame garnered 7 points for the winners. Bob Kajioka and Aki Furukawa were the top scorers for the vanquished with 10 and 9.

In the second game, TNT advanced by downing the Jets 52-46 winning the series 91-71. Scoring for the winners was well spread with Tosh Ogaki 12, Frank Idenonye 11, Jim Kamino 9 and Harry Uyede 9. Diminutive Mike Nagata tossed in 22 points for a losing cause with help from brother Dave who racked up 9 points.

The junior finals will open on Saturday, March 18 with Toronto TNT meeting Hamilton Alphas at 8 p.m. at the Church of All Nations gym. Alphas, undefeated in schedule play, with high-scoring star Wes Hyodo, are favored to win.

The big TNT team has run hot and cold all season, but if they can get steamed up they could make things tough for the Alphas this Saturday.

THE WEEKLY HABIT

By TOYO TAKATA

Let's put a stop to this before it gets too far. Last week, in this allegedly staid citadel, they had a men's fashion parade. They trotted out a bevy of male mannequins (is that what they call them?) garbed in the latest toga to trumpet what the well-dressed man looks like. The morning issue put out a special section wallowing in news and styles about the chic male. Then to top the much-ado-about masculine immaculateness, they selected the ten best-dressed men in Canada.

We're not beefing because of our chagrin in being spurned from the inner circle of elite sheiks, for apparently you have to own a title, a five-star political office, or a half-a-dozen limousines and a yacht, in addition to being able to step out of a page of Esquire. In other words, you have to be well-heeled as well as be well-groomed before they'll notice your haberdashery.

But with all respects to Jack Nakamoto, there's a limit to pretensions about masculine trousseau. We should retain our inherent and manly aloofness to finery and not percolate excessively about what's in vogue with the tailors. We're for turning a plugged ear towards syrupy droolings and adulations about male garments.

We dislike worrying about attire. We can't bother fretting if the design on our bargain-basement cravat doesn't blend with the colour of our eyes. As long as our appearance doesn't look like fugitives from Skid Row or a ragman's throwaway, we're perfectly happy.

Many of our acquaintances take pride in their habiliments and are well-informed on what's coming up on the clothes-line, and have their favorite tailors just as women have their pet hairdresser, but to us, we might as well talk about the nesting habits of a two-toed sloth.

One advantage about ghost-town existence was that no one had any boardwalk or Fifth Avenue inclinations and we were comfortable. And if anyone popped up with a new wearing gear, several others could be located wearing a similar outfit, and everybody could quote the price and the page in Eaton's Mail-order Catalogue.

But perhaps being clothes-conscious does have its good results. We've heard enough favorable comments that Niseis are good dressers, both male and female. This is the opinion of Caucasians who are in general contact with the Nisei, and even to our untrained optics we do realize that, on the whole, their attire is not shabby, jarring or ostentacious and conform to the best standards of taste.

And we see where there is renewed agitation over the importation of cheap shirts from Japan selling at a price against which Canadian manufacturers cannot hope to compete. And not only manufacturers; the retailers and the garment union are demanding action.

Considering the high proportion of both Nisei and Issei workers employed in various lines in the clothes field, and we would hazard a guess that at least one-quarter to one-third of the employable Japanese in the Toronto area is in this trade, should the importation of Japanese wearing apparel have any noticeable effect, it would hit them too.

But, while we have no aspirations about copping any best-dressed awards, we still can't see ourselves looking in the five-and-ten for dress shirts.

Mission Circle To Hold "Follies of '50" Concert

All are invited to come and enjoy themselves and at the same time support the good work of both groups.

To Do Mission Work

BARNWELL, Alta. — Edward Shimbashi, son of Zenkichi Shimbashi, left here on March 3 for Salt Lake City, Utah, where he will prepare to enter Mormon missionary work. He plans eventually to go to Japan.

He was honored recently at a dinner held at the Local Mormon Church which was attended by nearly [illegible] persons, composed of Japanese and Caucasians.
